utilised for one charity
partner on one kit per year.
10cm x 6cm (60 sq cm)

If shirt has granddad collar, sponsor patches may move onto the body of the shirt at no greater size and in a position parallel with the collar as practically possible.

The title sponsor's sleeve patch should have a 2.5cm exclusion zone around it.

Before any productions agreed with kit manufacturers, clubs must have written confirmation from the following - RFL Operations and Super League Commercial Departments.

Clubs are permitted to submit a maximum of 3 kits for the 2025 season as per the code of conduct.

For player shirts, the BSL and Super League partner logos should be applied via patches provided by the official Super League supplier.

For replica/retail shirts, the Betfred Super League logo is to be sublimated.

The Betfred Super League logo should not be sublimated on junior replica kits.

BETFRED SUPER LEAGUE KIT REGULATIONS 2025
